Board of Directors

Dear Board of Directors,

The newly formed FOREVR (Friends of Revolutionary Rivers) association is a special fund of the Eastern Carolina Community Foundation with a focus on stewardship of a portion of Lynches River which has been designated a National Recreation Trail.

With the assistance of the National Parks Service, the group has been working to make the river accessible to all paddlers, including those who are cognitively and/or physically handicapped. The purchase of stabilizers, support seating, and paddle pedestals will outfit kayaks for this purpose. Typical costs for the equipment are as follows: support seat \$645, paddle pivot pedestal \$185, stabilizer set \$1650. Any assistance in purchasing this equipment would be greatly appreciated.

If awarded, grants funds may be made payable to ECCF / Revolutionary Rivers Fund.

Please feel free to contact me at barryfrick@yahoo.com should you have any questions. I look forward to your response.

Sincerely,

A handwritten signature in cursive script that reads "Barry Frick".
