

Funding in the amount of \$68,200 was provided by the NC Community Foundation/Duke Energy Foundation.

Lynches River Boat & Kayak Access Project took place in the Lower Pee Dee of South Carolina along the scenic Lynches River in Florence County. The project cleared areas along Lynches River of downed trees and limb debris caused by a series of storms using environmentally sound practices thereby expanding public use and access to the waterway. The funds provided for the expert removal of a 6-8' clearing of passage for boats and kayaks. Areas cleared included: over a mile in front of Lynches River Park, 10.5 miles Half Moon to Venters, 14.5 miles Half Moon to 378. 6 miles 278 to Indigo, Clarks Creek & around Snows Lake.
